

Welcome to our Nursery

Heacham Infant and Nursery School

Welcome to Nursery 😊

Hello.
I'm Mrs Waters.
I am one of the adults
you will see in nursery.
We can't wait to see
you.

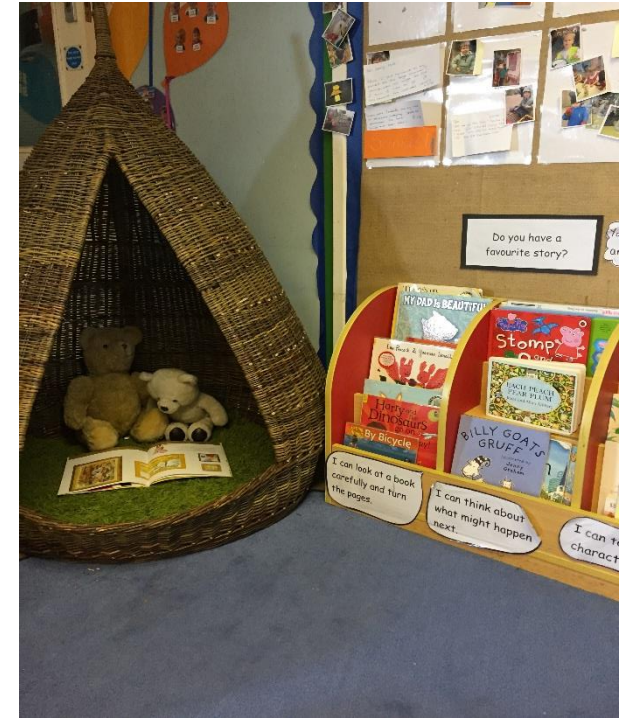

You will have a peg with your name on. You can hang up your coat and bag. Sometimes we wear wellies in the garden. You can leave your wellies here too.

You may need a bag of spare clothes. It can stay on your peg, for when you need it. Make sure everything has your name on.

Playing in nursery can get very messy so don't wear your best clothes!

We love books!

If you bring a book bag to school, you can take a book home with you to share with your family.

There are lots of things for you to play with.

There are lots of things to do.

We even have a lovely garden to explore.

Some children have their lunch in nursery.
They bring their own lunch in and eat together

A little note for your special grown-ups...

Starting nursery is a very exciting time. There's a lot to take in (for you as well as your child!). When school is open you are welcome to arrange a visit and talk to our lovely team of dedicated staff.

Please ask all the questions you need to. There is no such thing as a stupid question! We work hard to make sure the nursery is a happy, vibrant, loving place to grow. It's important to us that you feel involved. The partnership we have with parents is vital.

We really look forward to meeting you and your child.
